Seed Panel In-Meeting Scoring Matrix

Following discussion of each application, please click on 'Start Scoring' in your Portal and give a **Funding Score** and **Patient Benefit Score** for that application.

Funding Score

- 4** – Excellent, recommend for funding without modification
- 3** – Good, recommend for funding without modification
- 2** – Satisfactory, recommend for funding with minor modification
- 1** – Unsatisfactory, not recommended for funding

Patient Benefit Score

- 4** – Excellent, likely to have significant positive impact for patients in shorter or longer term
- 3** – Good, potential to benefit patients in shorter term (next 5 years)
- 2** – Satisfactory, potential to benefit patients in longer term
- 1** – Unsatisfactory, no evidence of benefit to patients

The SRUK Grants Team will collate and present final scores after discussion of all applications. The Seed Panel will then rank applications according to which they most highly recommend for funding.
